Congressman Canseco took \$210,335² from the insurance companies and voted to privatize Medicare, which benefits insurance companies.³

El congresista Canseco recibió \$210,335² por parte de las compañías de seguros y votó para privatizar Medicare, lo cual beneficia a las compañías de seguros.³

Quico Canseco proved he's no good for Texas when he:

- Voted to privatize Medicare, which benefits insurance companies.⁴
- Voted to let insurance companies deny coverage to people with pre-existing conditions.⁵
- Voted to allow insurance companies to discriminate against women by denying access to birth control, mammograms and cancer screenings.⁶

It's easy to see that Canseco looks out for special interests - not us.

Vote NO on Canseco.
